SUMMARY OF REVISION

AFI 34-219, 9 Sep 1998, is supplemented as follows:

1.1.2. Authorized personnel purchasing alcoholic beverages on Edwards AFB must meet State of California age limit requirements for the purchase, sale, procurement, and use of alcoholic beverages (21 years of age or older). Violation by military members is a violation of the Uniform Code of Military Justice and will subject the member to disciplinary punishment.

1.3.4. Provide a copy of this report to the Chief, Services, by 1200 the following workday, where it will be processed and promptly dispatched to the Base Commander within 2 hours after receipt.

1.5.2.3. (Added) Organizational Parties. Commanders and supervisors are responsible for ensuring that organizational parties do not disrupt the work of their own or neighboring organizations. Commanders or supervisors expecting an organizational party must be aware that, under the dramshop theory, they may be held responsible for any damage caused by any person who overindulges in alcohol at such a party. Therefore, each commander and supervisor must encourage moderation at all times. Commanders and supervisors will arrange and promote use of a "Designated Driver" program for all unit activities where alcohol is served.

2.1.6. Attachment 1 lists the facilities which may sell alcoholic beverages on Edwards AFB. It also identifies areas where consumption of alcoholic beverages is authorized. Besides the facilities listed in attachment 1, the AFFTC Commander, or his designated agent may offer Services the opportunity to sell malt beverages, low alcohol beverages, and wine at special events such as those listed in attachment 1.
